

## Divo faro singolo mains voltage halogen

Ceiling luminaire - modular system consisting of body and head

Thanks to its unique modularity the Occhio head-body system delivers impressive lighting solutions for your room. For different lighting effects diverse, turnable reflector heads are available, which can be easily substituted at any time thanks to a simple plug-in mechanism. The diverse wall and ceiling boxes allow for all recessed and surface mounting options.

Ceiling luminaire Occhio Divo faro singolo consisting of

- |                          |   |
|--------------------------|---|
| body Occhio faro singolo | - different length and surfaces           |
| head Occhio Divo         | - different lighting effects and surfaces |
| Occhio accessories       | - different mounting options and surfaces |

Divo faro singolo E

### material

aluminium, brass, steel, glass

### surface

head: chrome, matt chrome  
body: chrome, matt chrome

### length / rotation angle

10 cm, 20 cm, 30 cm, 60 cm / 355°

### recommended lighting effects

B, C, E see p.2 cutsheet

### light source

mains voltage halogen, operating voltage 230 V  
60 / 70 W, B15d Eco,  
energy efficiency grade D, lifetime 2.000 h

### luminous flux (bulb)

60 W / 980 lm, 70 W / 1180 lm

### color temperature / color rendering

2900 K / CRI 100

### weight

body and reflector head max. 0,9 kg

### mounting accessories

for surface or recessed mounting, see p.3 cutsheet

## Divo faro singolo recommended lighting effects

### Divo B

reflector head for light with wide radiation to one side

with satinised glass, the light output varies compared to the illustrations shown

#### efficiency of reflector head

clear glass 69%

satinised glass 66%
