

Divo parete singolo low voltage halogen

Wall luminaire - modular system consisting of body and head

Thanks to its unique modularity the Occhio head-body system delivers impressive lighting solutions for your room. For different lighting effects diverse, turnable reflector heads are available, which can be easily substituted at any time thanks to a simple plug-in mechanism. The diverse wall and ceiling boxes allow for all recessed and surface mounting options.

Wall luminaire Occhio Divo parete singolo consisting of

- body Occhio parete singolo - different length and surfaces
- head Occhio Divo - different lighting effects and surfaces
- Occhio accessories - different mounting options and surfaces

IP 20

Divo parete singolo E

material

aluminium, brass, steel, glass

surface

head: chrome, matt chrome
body: chrome, matt chrome

length / travel

20 cm, 30 cm, 40 cm, 60 cm / 120°

recommended lighting effect

A, B, C, D, E see p.2 and p.3 cutsheet

light source

low voltage halogen, operating voltage 12 V
max. 60 W, GY6.35
energy efficiency grade B, lifetime 4.000 h

luminous flux (bulb)

35 W / 860 lm, 50 W / 1180 lm, 60 W / 1650 lm

color temperature / color rendering

3000 K / CRI 100

weight

body and reflector head max. 1,0 kg

mounting accessories

for surface or recessed mounting, see p.5
external transformer necessary

Divo parete singolo recommended lighting effect

Divo A

Reflector head for light with open luminaire and radial distribution

with satinised glass, the light output varies compared to the illustrations shown

efficiency of reflector head

clear glass 96%
satinised glass 93%

material / surface

clear or satinised, heat-resistant glass
reflector aluminium
fixture matt chrome or chrome

Divo B

reflector head for light with wide radiation to one side

with satinised glass, the light output varies compared to the illustrations shown

efficiency of reflector head

clear glass 69%
satinised glass 66%

material / surface

clear or satinised, heat-resistant glass
reflector aluminium
fixture matt chrome or chrome

Divo C

reflector head for light with narrow radiation to one side

with satinised glass, the light output varies compared to the illustrations shown

efficiency of reflector head

clear glass 54%
satinised glass 52%

material / surface

clear or satinised, heat-resistant glass
reflector aluminium
fixture matt chrome or chrome

Divo D

reflector head for light with narrow radiation to both sides

with satinised glass, the light output varies compared to the illustrations shown

efficiency of reflector head

clear glass 77%
satinised glass 73%

material / surface

clear or satinised, heat-resistant glass
reflector aluminium
fixture matt chrome or chrome

Divo parete singolo recommended lighting effect

Divo E

reflector head for light with wide radiation to one and narrow radiation to the other side

with satinised glass the light output varies compared to the illustrations shown

efficiency of reflector head

clear glass 79%

satinised glass 77%

material / surface

clear or satinised, heat-resistant glass

reflector aluminium

fixture matt chrome or chrome
