Montaje sin tapa / Montaggio senza coperchio

Vor der Montage alle stromführenden Leitungen vom Stromnetz trennen! Auf den Verlauf von Stromleitungen achten!

Disconnect all live lines from the mains before installation! Pay attention to the routing of power lines.

Débrancher toutes les sources d'alimentation avant le montage ! Attention au tracé des câbles électriques !

¡Antes del montaje deben separarse de la red eléctrica todos los cables que conducen corriente! ¡Obsérvese el tendido de los cables de corriente!

Prima del montaggio scollegare tutti i cavi di alimentazione dalla rete elettrica! Prestare attenzione al percorso delle linee elettriche!

Netzkabel
 Power cable
 Câble réseau
 Cable de red
 Cavo alimentazione

Vorschaltgerät anschließen und Zugentlastung herstellen.

Connect the power supply unit and create strain relief.

Raccorder le ballast et mettre sous tension.

Conectar la fuente de alimentación y aplicar protección de tracción.

Collegare l'alimentatore e realizzare l'ancoraggio.

Superficie caliente, ¡no tocar!/Superficie molto calda,
non toccare!

Light sources and control gears can be replaced without
permanent damage to the surrounding Occhio product.

Les sources lumineuses et les ballast peuvent être
remplacés par Occhio sans endommager durablement
le produit environnant.

Las fuentes de iluminación y los equipos de control
pueden ser sustituidos por Occhio sin que el producto
circundante sufra daños permanentes.

Le sorgenti di luce e i dispositivi di alimentazione
possono essere sostituiti da Occhio senza danni
permanenti dei prodotti circostanti.

Occhio erklärt hiermit, dass die Leuchte aufgrund ihrer
Konzipierung und Bauart den EG/EU-Richtlinien und
entsprechenden harmonisierten Normen entspricht.

Occhio hereby explains that, due to their design and
construction, the luminaires meet the EG/EU
guidelines and corresponding harmonised standards.

Occhio déclare par la présente que la conception et la
fabrication du luminaire sont conformes aux directives
CE/EU ainsi qu'aux normes harmonisées
correspondantes.

Occhio declara que, en virtud de su diseño y
construcción, la luminaria cumple con las directivas
CE/UE y las normas armonizadas correspondientes.

Occhio dichiara che la lampada è stata progettata e
prodotta in conformità alle direttive CE/UE e alle
norme armonizzate.

Das Gerät muss gemäß WEEE-Richtlinie (2012/19/EU)
entsorgt werden.

The device must be disposed of in line with the WEEE
guidelines (2012/19/EU).

L'appareil doit être éliminé conformément à la directive
2012/19/EU relative aux déchets d'équipements
électriques et électroniques (DEEE).

El dispositivo debe eliminarse de acuerdo con la
Directiva RAEE (2012/19/UE).

Il dispositivo deve essere smaltito in conformità alla
direttiva RAEE (2012/19/UE).
